Crawford & Company UK recruits three senior International Adjusting Specialists

London – Crawford & Company UK has made a trio of appointments within its International Market Team.

The new, very experienced appointments add to Crawford's specialist International Adjusting team who have a flexible, global remit, providing fast response services to complex international claims around the world.

The three individuals, Tim Cramer-Todd, Martin Taylor and Daniel Fittock have extensive expertise in major incident and catastrophe claims. Ian Muress, chief executive officer, Europe, Middle East, Africa and Asia Pacific stated their addition will augment an already strong team.

Ian added "Tim, Martin and Daniel are very well known in the London Market and Crawford is always looking to bring people of their calibre into the business. It is essential for a global adjusting business to have the experts on hand to interface with the UK and International markets in London and quickly be on the ground virtually anywhere in the world to ensure the needs of our clients and their insureds are both aligned."

The recruits have a combined 84 years of industry experience predominantly in Property, Business Interruption, Engineering/CAR/EAR, Onshore Energy and Liability.

Tim Cramer-Todd said “Having built a market following we are delighted to now have the strength and resources of a business like Crawford behind us.”
